INDEPENDENT AUDITOR'S REPORT

To the Members of
John Howard Society of Durham Region
Oshawa, Ontario

Qualified Opinion

We have audited the financial statements of John Howard Society of Durham Region (the Organization), which comprise the statement of financial position as at March 31, 2020 and March 31, 2019, and the statements of operations, changes in net assets and cash flows for the years then ended, and notes to the financial statements including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the John Howard Society of Durham Region as at March 31, 2020 and March 31, 2019, and the results of its operations and its cash flows for the years then ended in accordance with Canadian Accounting Standards for Not-for-Profit Organizations.

Basis for Qualified Opinion

In common with many charitable organizations, the organization derives revenue from donations, client fees and fundraising, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to amounts recorded in the records of the Organization. Therefore, we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenses, and cash flows from operations for the years ended March 31, 2020 and 2019, assets as at March 31, 2020 and 2019, and net assets as at April 1 and March 31 for both the 2020 and 2019 years.

As explained in Note 2(k), these financial statements reflect amortization of one building at a rate equal to the annual principal reduction of the mortgage loans secured by the property. Transfers to the Replacement and Capital Reserve Fund are accounted for on the Statement of Operations, rather than as an interfund transfer in the Statement of Changes in Net Assets. These are departures from Canadian Accounting Standards for Not-for-Profit Organizations.

We conducted our audits in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audits of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian Accounting Standards for Not-for-Profit Organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

JOHN HOWARD SOCIETY OF DURHAM REGION

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2020

1. General Information

The John Howard Society of Durham Region (JHS) is a charitable organization in accordance with the Income Tax Act (Canada) and, as such, does not pay income taxes. The organization was incorporated in 1999 in Ontario as a corporation without share capital.

It is committed to providing and developing programs that reduce the social, economic and personal costs of crime. The Society is dedicated to helping youth and adults in conflict with the law and individuals at risk through service, education, reform and community programs.

2. Summary of Significant Accounting Policies

The financial statements were prepared in accordance with Canadian Accounting Standards for Not-for-Profit Organizations and include the following significant accounting policies:

(a) Capital Assets

The policy of the Society is to capitalize purchases of major capital assets at their cost in the year of acquisition. Minor capital asset purchases are being expensed as approved by the board.

(b) Deferred Revenue

Deferred revenue is income received which is attributable to subsequent years. As the expenses are incurred, this income will be recognized in the Statement of Operations.

(c) Revenue Recognition

John Howard Society of Durham Region follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured. United Way funding is recognized based on the fiscal year allocation and by United Way. Various government funding is recognized based on the funding agreement. Bingo revenue is recognized monthly based on pooling allocations. Interest is recognized when it is earned. Housing charges are due and recognized at the beginning of each month for that month. Program revenue is recognized when programs are held.

(d) Invested in Capital Assets

This funds represents capital assets less amortization and net of mortgages payable and deferred contributions related to capital assets (Note 9). The method of recording amortization on each class is described in Note 2(f).

(e) Pledges

Pledges are recorded when amounts are received.

JOHN HOWARD SOCIETY OF DURHAM REGION
NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2020

2. Summary of Significant Accounting Policies (continued)

(f) Amortization

Amortization is recorded on the straight-line basis over the following period:

| | |
|---------------------------------|--|
| Building - main office | 40 years with residual value of \$12,000 |
| Building - administration | 40 years with residual value of \$12,000 |
| Building - residential - Whitby | 40 years with residual value of \$12,000 |
| Leasehold improvements | 5 years |
| Other equipment | 5 years |

(g) Use of Estimates

The preparation of financial statements in accordance with Canadian Accounting Standards for Not-for-Profit Organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the reporting period. Actual results may differ from those estimates.

(h) Contributed Services

John Howard Society of Durham Region would not be able to carry out its activities without the services of the many volunteers who donate a considerable number of hours. The value is not recognized in these financial statements.

(i) Internally Restricted Reserves

The Board of Directors of John Howard Society of Durham Region has established internally restricted reserves. The purpose of the Operational Reserve fund is to provide the organization with a reserve of cash for years when funding is not sufficient to cover operating costs. The balance in this fund at March 31, 2020 is \$659,098. The purpose of the Capital fund is to provide the organization with funds for repairs and replacements to existing facilities for years when general funding is not sufficient to cover these costs. The balance in this fund at March 31, 2020 is \$314,264. Funds can only be transferred to and from these reserves with the approval of the Board of Directors.

(j) Allocation of Expenses

The Society provides various programs on behalf of various funders. The costs of each program include the costs of personnel, premises and other expenses that are directly related to providing the program. The Society also incurs a number of general support expenses that are common to the administration of the Society and each of its programs.

The Society allocates certain of its general support expenses by identifying the appropriate basis of allocating each component. The Society allocates these expenses to the departments in accordance with the approved budgets.

JOHN HOWARD SOCIETY OF DURHAM REGION
NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2020

2. Summary of Significant Accounting Policies (continued)

(k) Basis of Accounting

As indicated in the Auditors' report, Basis for Qualified Opinion paragraph, there are departures from Canadian Accounting Standards for Not-for-Profit Organizations in these financial statements. These departures are as follows:

The residential land and building is amortized annually in an amount equal to the annual mortgage principal repayment. Current year's amortization of the land and building referred to was \$29,101 and the accumulated amortization was \$421,232. If the amortization policy used had been the same as the policy used for the other building owned by the Society, the current amortization would have been \$4,398 and the accumulated amortization would have been \$129,735.

Transfers to the Replacement and Capital Reserve Fund are accounted for on the Statements of Operations, rather than as an interfund transfer in the Statement of Changes in Net Assets.

(l) Financial Instruments

Measurement of financial instruments

The organization initially measures its financial assets at fair value.

The organization subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include cash and accounts receivable.

Financial liabilities measured at amortized cost include the accounts payable, due to Ministries and Region of Durham and mortgages payable.

The organization measures investments at fair value.

Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

Transaction costs

The organization recognizes its transaction costs in net income in the period incurred. However, financial instruments that will not be subsequently measured at fair value are adjusted by the transaction costs that are directly attributable to their origination, issuance or assumption.

JOHN HOWARD SOCIETY OF DURHAM REGION**NOTES TO FINANCIAL STATEMENTS****MARCH 31, 2020****3. Investments**

Investments are recorded at fair market value and are invested in 2202.5348 units (2019 - 2164.588 units) of the SH Canadian Short-Term Bond Fund-A. The market value of these units at March 31, 2020 was \$22,440 (2019 - \$21,910).

7. Due to The Regional Municipality of Durham

The funding agreement with the The Regional Municipality of Durham requires that amounts be set aside annually as a reserve for both minor and major replacement costs. In prior years, additional funds were loaned from The Regional Municipality of Durham to enable necessary work. The loan is due on demand and is non-interest bearing.

JOHN HOWARD SOCIETY OF DURHAM REGION

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2020

8. Commitments

The Society pays rent for its Whitby office based on a lease agreement which expires in October 2020 and for its Clarington office based on a lease agreement which expires December 2020 and its Ajax office based on a lease agreement which expires July 2020. Some of the space occupied by the Society is sublet to other organizations from which rent is collected. The approximate annual amounts under these lease agreements are as follows (excluding HST):

| | |
|------|-----------|
| 2021 | \$ 88,276 |
|------|-----------|

9. Deferred Contributions Related to Capital Assets

Deferred contributions related to specific capital assets represent the unamortized amount of funds received for the purchase of capital assets. The amortization of capital contributions is recorded as revenue in the statement of operations on the same basis as the amortization expense related to these capital assets.

| | <u>2020</u> | <u>2019</u> |

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2020

14. Financial Instruments

Risks and concentrations

The organization is exposed to various risks through its financial instruments. The following analysis provides a measure of the organization's risk exposure and concentrations at March 31, 2020.

Liquidity risk

Liquidity risk is defined as the risk that the organization may not be able to meet or settle its obligations as they become due. The organization has taken steps to ensure that it will have sufficient working capital to meet its obligations.

Credit risk

Credit risk arises from the potential that counterparties including clients will fail to perform their obligations. The organization is subject to credit risk through its receivables. Account monitoring procedures are utilized to minimize risk of loss.

Interest rate risk

Interest rate risk arises because of the fluctuation in interest rates. The organization is subject to interest rate risk through their investments. The organization has formal policies and procedures that establish target asset mix. The organization is not subject to interest rate risk with the mortgage payable as the mortgage is guaranteed by the funding authority.

Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The organization is exposed to other price risk through its investments. The organization has formal policies and procedures that establish target asset mix.

15. Subsequent Event

In March 2020, the World Health Organization declared the outbreak of a novel Coronavirus (COVID-19) as a global pandemic, which continues to spread in Canada and around the world.

As at June 22, 2020, the organization is aware of changes in the operations as a result of the COVID-19 crisis, including the temporary interruption of on-site programs and services.

Management is uncertain of the effects of these changes on its financial statements and believes that any disturbance may be temporary, however, there is uncertainty about the length and potential impact of the disturbance.

As a result, we are unable to estimate the potential impact on the organization's operations as at the date of these financial statements.

16. Comparative Figures

Certain comparative figures have been reclassified to conform to the current year's presentation.
