PRESIDENT & EXECUTIVE DIRECTOR MESSAGE

Since its inception 37 years ago, our agency has dedicated itself to the principle that our community includes everyone. Towards this end we have streamlined our strategic plan, launched new and innovative programs that are making a positive difference in the lives of our clients and we continue to enhance and build upon our core set of programs. As you will see from the summaries that follow, our 2015/16 year has again demonstrated our ability to respond to the emerging needs of our community.

We would like to thank all members of the Board, our dedicated staff and our volunteers for their ongoing support as their involvement is fundamental to the strength of our agency.

It has been an exciting time for our organization as we build towards the future.

FUNDING

In addition to the ongoing core funding support we receive from the United Way and the Provincial Government, JHS relies on the generosity of individuals, families, staff, corporations, foundations, service clubs, community groups and other agencies/organizations to augment our capacity to respond to the needs of children, youth and families. Many of the successful innovative programs offered at JHS on an ongoing basis today, were once originally supported as pilot projects through donations and fundraising efforts supported by people, foundations and organizations like those listed on these pages.

Every donation – large or small, monetary or gift-in-kind, helps individuals and their families to successfully make it through difficult times.

On their behalf, we thank you.
