PRESIDENT & EXECUTIVE DIRECTOR MESSAGE

The year 2016/2017 proved to be one of highs and lows. While on one hand, the agency experienced growth and development, on the other, the agency was faced with increasing demands for our services and programs while continuing to operate in an environment of fiscal restraints and cutbacks. These pressures have been the catalyst for change in the agency and we continue to work with our funders and partners to resolve these challenges with creative, cost-effective and innovative solutions to community issues.

Through enhancements to the Bail Program, the agency now has dedicated staff for Mental Health Court in Peel and has increased geographical coverage in Halton. The agency is very grateful for the new partnership with the Ontario Trillium Foundation which has enabled us to expand the PATCH program.

We would like to thank all the members of the Board, our dedicated staff and our volunteers for their ongoing support as their involvement is fundamental to the strength of our agency. It is with this strength that the agency can dedicate itself to the principle, the vision and our mission that states: "Our community includes everyone".

FUNDING

In addition to the ongoing core funding support we receive from the United Way and the Provincial Government, JHS relies on the generosity of individuals, families, staff, corporations, foundations, service clubs, community groups and other agencies/organizations to augment our capacity to respond to the needs of children, youth and families. Many of the successful innovative programs offered at JHS on an ongoing basis today, were once originally supported as pilot projects through donations and fundraising efforts supported by people, foundations and organizations like those listed on these pages.

Every donation – large or small, monetary or gift-in-kind, helps individuals and their families to successfully make it through difficult times.

On their behalf, we thank you.
