

# COMMUNITY MEDIATION PETERBOROUGH

Turning conflict into connection.

Do you want to talk to about:  
Noise, neighbours, house mates, pets, pot, parking, shared driveway, fences, garbage...?

## How it works

1. Call us to book a private meeting.
2. We listen to you alone, to see if it fits.
3. Then we listen to the other person.
4. We are neutral & don't take sides.
5. If it fits, a mediation is booked.
6. You each tell your story & are heard.
7. You think up solutions together.
8. You choose the best solutions together.
9. We call you later to check in
