John Howard Society of Toronto invites you to observe Prisoner's Justice Day at our location at The Reintegration Centre; **215 Horner Avenue** (across from the Toronto south detention centre.)

Our program will consist of a smudging ceremony, poetry readings, and much more.

There will also be a display of artwork by prisoners from the Poetic Justice Program.

As is customary, we will be observing the fast that takes place in institutions across Canada.

Please join us in solidarity with our brothers and sisters who are still incarcerated and in remembrance of lives lost inside during the past year.

Water will be made available.

For more information or directions, please call (647)429-7808.
