# WHAT TO EXPECT AFTER YOUR REFERRAL IS RECEIVED?

## 1 Intake & Assessment

A Youth Reintegration Worker will connect with you to schedule and complete an intake. We will use this time to discuss your charge(s) + court requirements, and what you hope to achieve in the program.

## 2 Y.A.S.I. Risk Assessment

You will complete a Y.A.S.I. Risk Assessment to identify areas of risk, strengths, and protective factors in your life. This helps your case manager and counsellor tailor supports, provide tools, and set goals to promote positive growth and stability.

## 3 Case Management/Life Skills

During sessions you'll gain tools to help you, strengthen mindfulness and emotional regulation, learn conflict resolution and budgeting skills, and gain confidence in employment readiness, goal setting, and personal growth.

## 4 Counselling

You will be supported with 1:1 counselling to discuss your current charges and other matters that may be affecting your life. These sessions provide a safe and confidential space to explore your experiences, emotions, and trauma.

## 5 Court Support

While you continue with counselling sessions, we can provide a letter of support for the courts. Your case manager can also help you navigate the justice system and accompany you to court for guidance and support.
